BRONCOS AND FORD TO REFURBISH USO CENTER AT DOWNTOWN DENVER MILITARY ENTRANCE PROCESSING STATION ON FRIDAY

DENVER — Denver Broncos players, cheerleaders and staff will join with Ford employees to refurbish the USO Center at Downtown Denver Military Entrance Processing Station (MEPS — 721 19th St, Suite #275, Denver, CO 80293) on Friday from 9:30 a.m.-12 p.m.

The group will build and install new furniture in addition to putting together snack and hygiene kits to be distributed to service men and women at Denver-based USO Centers (MEPS and Denver International Airport).

Friday's event will also represent the launch of 'Broncos Brigade,' an organization-wide alignment of military outreach, initiatives and events. For more information about Broncos Brigade and to learn about the different ways the Broncos work with servicemembers throughout the year, please visit www.denverbroncos.com/brigade.

Media are encouraged to cover the event and asked to RSVP to **Seth Medvin** (seth.medvin@broncos.nfl.net). Interviews will take place at approximately 11:15 a.m.

ABOUT USO CENTER DOWNTOWN DENVER

The USO strengthens America's military service members by keeping them connected to family, home and country, throughout their service to the nation. The USO operates more than 200 locations globally, which serve more than 4.9 million Active Duty, Guard, and Reserve members and their families.

USO Denver serves northern Colorado and southern Wyoming and provided a touch of home to over 132,000 troops, military families, and military retirees at our Denver International Airport location last year, in addition to welcoming over 24,000 of our nation's newest service members and their families to the USO family at our Military Entrance Processing Station facility, while also providing morale-boosting and family-strengthening programs to over 36,000 service members and their families through our outreach efforts.

Over 200 volunteers and an Advisory Council help four Denver-based staff members deliver goodness to troops and their families year-round.

ABOUT FORD:

Ford Motor Company & Local Ford Stores are proud to be the Official SUVs and Trucks of the Denver Broncos. Ford is also proud to partner with the Broncos in their continued support of the USO, our military personnel, veterans and families.
