Practices are free and open to the public for viewing beginning on Wednesday, July 28. Gates open at 8:30 a.m. While practices are free and open to the public, no autographs will be permitted due to league COVID-19 protocols. All attending fans must agree to the [Fan Health Promise](#) via a digital signature before entering UCHealth Training Center. In accordance with health guidelines, the Broncos recommend masks for all fans who are unvaccinated for COVID-19.

Parking at the Broncos' facility is located adjacent to the Pat Bowlen Fieldhouse (13403 Broncos Pkwy.) on a first-come, first-serve basis. The parking area is open beginning at 7:30 a.m. Please avoid parking on streets across from UCHealth Training Center. Fans will be able to view the practices from selected areas that will be marked clearly on site. Fans will primarily be seated along the berm on the west end of the practice fields. The seating area is on a natural grass surface with a very limited amount of shade, so please bring proper footwear, clothing and sunscreen. Social distancing will be enforced. The Broncos' [stadium bag policy](#) will be in effect for all training camp practices. Lawn chairs will not be allowed at training camp.

Umbrellas of any size will not be permitted inside UCHealth Training Center. Please bring sufficient wet weather attire if necessary.

Strollers: Will be allowed on the premises but must be left at the gate prior to accessing seating area. Fans are welcome to use still cameras during training camp practices, but video cameras (and other recording devices such as cell phones and tablets) will not be permitted. Only members of the media will be allowed to bring cameras with professional lenses and tripods to training camp. Any detachable lenses longer than the length of a credit card will not be permitted on camp premises. Public restrooms will be available for fans near the entrance to the practice fields.

Food & Beverage: There will be food trucks on the west side of the Pat Bowlen Fieldhouse. A variety of food options from around the Denver metro area will be available to fans throughout training camp (please note that meals brought from food trucks will not be permitted inside the practice field gates; food and non-alcoholic beverages are allowed inside the practice field gates in small individual quantities only). In case of lightning or other inclement weather, fans will be cleared out of the general seating area, allowing for sufficient time to reach their vehicles. In some cases, the Broncos may announce a practice cancellation before a scheduled session if inclement weather is in the forecast. In such instances, UCHealth Training Center grounds will be closed to the public.
